MADE IN ITALY

ADD-ON

## MAPLY ADD-ON

The add-on is specifically designed for companies working in construction, mining, excavation, drilling, landscaping or agriculture that want to have all the information at-a-glance including GPS location of fuel dispensing.

- Geolocate refillings and display them on a map
- Automatically\* manage portable tank loads and track refillings on third-party vehicles
- Group fueling dispenses and activate geofencing

B.SMART Maply add-on works both with AC and DC dispensers and with our PIUSI SUPREME pump once upgraded to B.SMART

\*Requires Tank watchdog add-on
