

500 CC Lever action grease pumps

All Samoa lever action grease pumps have the following features and benefits:

- Very tough, real heavy duty, cast iron head for maximum durability, uniform pressure and flow delivered throughout the pump's entire life.
- Precision machined piston ensures leak free high pressure operation without requiring the use of seals.
- Heavy duty knurled barrel with large pitch threads for easy barrel removing for loading.
- Locking follower rod, heavy duty bevelled follower and spring.
- Supplied ready to fill using various methods (cartridge, loader pump and suction).

Universal grease pumps to be used with 400 g (14 oz) grease cartridges or with bulk grease. Bulk grease loading by suction or using a filler pump. Maximum working pressure: 500 bar (7,250 psi).

MODELS

101 202	500 cc lever action grease pump Individually boxed, grease pump includes filler valve 128 003.
101 200	500 cc lever action grease pump Individually boxed, grease pump includes filler valve 128 003 and rigid stem with a four jaw hydraulic connector (PN 710 214).
101 250	500 cc lever action grease pump for screw cartridges Individually white boxed, grease pump includes rigid stem with four jaws hydraulic connector (PN 710214).
101 240	500 cc lever action grease pump Individually boxed, grease pump includes filler valve 128 003 and 300 mm single braided rubber hose with a four-jaw hydraulic connector (PN 137 031).
101 195	500 cc lever action Grease pump Individually packed in blister. Includes 300 mm single braided rubber hose with a four-jaws hydraulic connector.
101 211	500 cc lever action grease pump Packed in Individual plastic bag, grease pump includes rigid stem with a four jaw hydraulic connector (PN 710 214).
101 300	600 cc lever action grease pump
101 800	1.000 cc lever action grease pump
