CUBE B.SMART

Pro & eight

CUBE B.SMART PROEIGHT dispenser is the new PIUSI product designed to meet the needs of the market. **Thanks to the integration with the 8-meter 26-foot hose reel, CUBE B.Smart becomes even more compact, intuitive and easy to use.**

It is equipped with a self-priming vane pump with built-in bypass that delivers high performance refueling.

The anti-vibration mounting ensures low noise and vibration, while the mechanical sealing and overheating protection of the motor enhances the product reliability and safety.

The new CUBE B.SMART dispenser with hose reel **is equipped with PIUSI WATER CAPTOR**, a new filter designed to absorb particles of water that may be in the liquid.
